

曾馨儀 ASHLEY
ZENG

Expertise in cross-domain design methods,
literature, history, philosophy, thinking, research,
Visual communication and cultural reconstruction.

Attention to the duality of things and excel at
avant-garde visual expression.
Promoting front-end development led by
user experience and aestheticism as discipline.
Find balance between emotion and ration.
Advocating all logical things.
Perceive the way in which individuals make
connections with a common nature.
